

## Thank You

Dear Neighbor:

Here's a partial list of the community events and activities that your schools have hosted this Fall:

- Gilda's Club Family 5K Walk and Run
- SAFE (Suicide Awareness is For Everyone) Task Force Town Hall Meeting
- Salvation Army 90th Anniversary Celebration
- Royal Oak Symphony
- Royal Oak Nature Society Speaker Series
- City Commission Candidate Forum
- Parent U

Our schools draw people together...from the common bond formed by neighbors cheering together for student athletes to the connections made as families work together on PTA activities. Our work as your school district is student learning. Community is the context for our work and excellence is the standard we set for ourselves. "A Community of Excellence" is not simply a tag line or slogan for Royal Oak Schools, but rather the vision for all that we do.

Public education, governed by publically-elected community members, is at the core of our American democracy. Education is not a commodity to be bought and sold. Rather it is a public good, a trust of the community, with benefits not simply for the students attending school, but for the community at large. Knowledgeable citizens, thoughtful decision- makers, engaged neighbors...we all benefit from strong schools. The strength of our schools and our community are inextricably linked.

This month, as we pause on Thanksgiving to reflect upon all for which we are grateful, my thoughts will include being a resident of a strong community with strong schools. I thank you, the citizens of Royal Oak, for your commitment to our community-governed public schools.

Sincerely,

Shawn Lewis-Lakin  
Superintendent

# Registering for Kindergarten

## Note New Kindergarten Enrollment Age Requirement

Royal Oak Schools is pleased to welcome children and their families to kindergarten. Kindergarten enrollment for the 2014-2015 school year begins on Monday, December 16, 2013. Enrollment for all kindergarten programs district wide are processed at our Central Enrollment Office, which is located at 1123 Lexington Avenue, Royal Oak.

## Two Royal Oak High School Seniors Named Semifinalists in 2014 National Merit Scholarship Program

Congratulations to Royal Oak High School's 2014 National Merit Semifinalists:

*Emma Holcomb (left) and Bridget Vial*

- Emma Holcomb
- Bridget Vial

These students were named by the National Merit Scholarship Corporation based on outstanding academic performance on the Preliminary SAT or National Merit Qualifying Test taken as juniors. They are among 16,000 students nationally to be named Semifinalists, from among more than 1.5 million students who entered.

Emma is the daughter of Erin and Dennis Holcomb. She is Secretary-General of Royal Oak Model United Nations, past President of Interact Club and a member of the Marching Band. Bridget's parents are Claire and Paul Vial. She is President of the Assembly of Royal Oak Model United Nations, participates in Cross Country and is a member of the Chamber Singers. Both students are making use of the opportunities available at Royal Oak High School to complete Advanced Placement coursework, which provide students the opportunity to complete college level courses while attending high school.

These academically talented high school seniors have an opportunity to continue in the competition for some 8,000 National Merit Scholarships worth about \$35 million that will be offered next spring. To be considered for a Merit Scholarship award, semifinalists must fulfill several requirements to advance to the finalist level of the competition. About 90 percent of the semifinalists are expected to attain finalist standing, and more than half of the finalists will win a National Merit Scholarship, earning the Merit Scholar title. Finalists will be announced in February.

## Royal Oak Schools Financial Audit Receives Highest Level of Confidence

David Youngstrom, Principal, and Kristi Kraft-Belsky, Senior Manager, Yeo and Yeo CPAs and Business Consultants, addressed the Royal Oak Schools Board of Education meeting and the community. Auditors from Yeo and Yeo gave the District's annual audit an unmodified opinion, the highest level of confidence received for such reports.

The District had \$10,037,295 of unassigned general fund balance as of June 30, 2013. The fund balance equates to 19% of operating expenditures and is within the Michigan School Business Officials (MSBO) recommended 15-20%. This represents approximately 69 days of operating expenses which is critically important when dealing with unpredictable variables in budget planning.

In his comments, Youngstrom commended Rick West, Executive Director of Finance and Operations, and the District's business services team for getting the audit completed early. "Royal Oak is our first school district audit," said Youngstrom. He cautioned the Board "there is much uncertainty still clouding the financial picture for school districts," pointing to uncertain enrollment numbers due to declines in birth rates and the state's uncertain economic and political conditions.

Youngstrom praised the Board and the community for passing the building site and sinking fund millage. "This provides a 'wonderful tool' for maintaining the community's investment in facilities," he said.

## Royal Oak Sandlot League Donation for Renovation of Three Practice Fields

Royal Oak Sandlot League (ROSL) President Bob Sullivan and Board Member Kim Johnson attended a Royal Oak Schools Board of Education Meeting to announce the organization's donation for renovation of three Royal Oak Schools practice fields for use by the community and the school district.

ROSL plans to remove grass and install a home plate on two Royal Oak High School fields and remove grass, create a practice diamond and install a home plate at Northwood Elementary School.

The work will be done during the weekends so as not to interfere with school; additionally all removed material will be taken away. There will be no cost to the city or school district and continued maintenance will be handled by the city as needed and paid for by ROSL.

Superintendent Shawn Lewis-Lakin commended the Sandlot League, saying "This donation is an example of a community partnership which not only serves the community, but also creates opportunities for our students."

ROSL, in its 54th year, is a nonprofit organization that provides children in Royal Oak the opportunity to play baseball and softball. The League currently serves over 1,000 children in the city, nearly half of them in the 5-9 age groups. The League's teams practice from May to June each season. Currently Upton and Oakland are used for 26 teams and there is a need for additional practice fields for the 5-9 age group.
